“ *Dear dear; Emily I will never hear the song "I saw the signs" without thinking of you belting it out on a stage at a beach bar in Florida, age about 7. Beautiful, gregarious, confident. You will always be that girl in my mind, and in my memories. Take your rest, sweet girl. You are, and were loved.*

I never met Emily, but she has always lived for me through the love of her wonderful grandmother, Judi. No-one was ever more deeply cherished than she was by her grandmother. May that love endure and shine a path f light through the midnight of her loss.

“ I was so deeply saddened to learn of Emily's passing. She deserved a far, far better life than the one she was dealt. My heart goes out to her father and grandparents and those who were closest to her.

“ Sweet, Sweet Emily,

I remember you from RJH with that glint in your eye and your smile. Always took life as it came, and in your own way. So happy I got to see you a few years ago at your Mom's. I know that your light will forever shine on and you will watch over your mom, sister's and dad. Rest easy and fly with the angels. You are at peace.

Judy and girls, sending you love.

xoxo
