“ My dad is Jim Donahue.. I'm Jimmy Donahue III..I knew Eric when I was young in the 70s.He was a tough kid and one day on Hampton Beach he saved me from getting beat up by 3 kids.I was only 7 at the time in 1974.Eric was about 5 to 7 years older then me.He took on all 3kids and won the fight.I was indebted to him afterwards.He was kinda mean back then but I liked him.Eric broke his thumb in the fight. I will miss Eric and I'm sad to hear his passing on.My health isn't very good at all and I don't have long myself.All my best to the Stone family.I knew his dad Dan and Barbra Stone and they were always good to me.Sincerely, Jimmy W Donahue III

“ Hi,he was a cute little boy,running around at the beach,his bathing suit was always falling down. He had tons of energy,a darling smile,freckles, and a sun burn,all summer long. Just a real boy, completely lovable and sweet. He loved to go down to the rocks and look for crabs,I cannot believe he is gone,way too young. Sorry to hear about his passing, my deepest sympathies, Donna e
