

Eric T. Tatarinowicz

May 3, 1985 - February 15, 2016

Seabrook – Eric Thomas Tatarinowicz, 30, of Seabrook and a former longtime resident of Hampton Falls, died suddenly on Monday, February 15, 2016 from injuries sustained in a snowmobile accident in Pittsburg, NH.

He was born in Manchester, NH on May 3, 1985, the son of Carol A. Tatarinowicz of Hampton Falls and the late Richard W. Tatarinowicz.

Eric spent his early years in Derry and Kingston before his family moved to Hampton Falls in 1995. He was an outstanding soccer player and had played on the travel team for Seacoast United. He attended Winnacunnet High School where he continued to excel in soccer, was a member of the JROTC and at which time he earned his Eagle Scout rank and was a life-time member of the Eagle Scouts. Eric graduated from WHS with the Class of 2003 and went on to earn his Associate's Degree from UNH. After graduation he founded the APCO Landscape Supply Co. which he continued to manage until the time of his death.

Eric was well known throughout the seacoast area and was always willing to help anyone in their time of need. He was a personal, polite, and energetic young man who did not like to sit still. Eric was always willing to coach, mentor and lend a hand to folks asking for assistance but in a humble way. He is and will be missed forever in our hearts.

In addition to his mother, Eric is survived by his longtime girlfriend, Jan Tsoronis of Seabrook and his paternal grandmother, Gloria Merola of Hampton and St. Augustine, FL. He also leaves his aunts, uncles, cousins and many close friends and associates.

Visiting hours will be from 2 to 5 pm on Sunday, February 21, 2016 in the Remick & Gendron Funeral Home – Crematory, 811 Lafayette Rd., Hampton. Services will be held at 11 am on Monday in the funeral home with burial to follow in the Oak Lawn Cemetery, Hampton Falls. Family and friends are respectfully invited. “ *I knew Eric in high school but our friendship really blossomed in college. We spent a lot of time together hanging out at the MUB at UNH. We would have the best conversations about really nothing. Eric was the kind of person that you could just talk to. He always listened no matter what was coming out of your mouth. He was a very practical person, but he was such a funny guy and would leave me in stitches. We used to play pool together on occasion at school. No matter how much I sucked, we always had a good time. I remember one night after having my heart broken Eric and I had plans to play pool. I showed up in a somber mood and Eric (ever to the rescue) offered to beat the culprit up. I know if I had said yes, he would have done it, but I think he was just hoping to make me laugh – which he did. But that’s the kind of guy he was, that’s the kind of friend he was. He was there to help. There were never empty promises or unfulfilled offers. What he said he meant. The world lost an amazing person. Even though after college we drifted apart, about a thousand miles apart, the memories I have never faded. His wise cracks and sweet grin. The sound of his ridiculously loud truck. His adventurous nature. He was the kind of friend everyone needs to have in their life, even if only for a short time.*

“ My thoughts and prayers go out to you, your mother and girlfriend during this very horrible time. It was a pleasure to get to know you and spend time with you our senior year of high school. Occasionally, I will hear a car alarm go off and think of the time you set your truck alarm off in the school parking lot as I walked by knowing I would jump a mile and when I turned around, there you were laughing. When I moved back to Hampton after college I always enjoyed running into you around town and catching up on lost time. I was so happy for you when you started APCO and knew you were proud. I will always think of you when I hear a diesel pickup truck rolling by with stacks. Your kindness and generosity I think was felt by everyone in the community. You were far too young to leave but we will never forget you.

Although I did not know Eric Tatarinowicz nearly as well as I would have liked, I thoroughly enjoyed running into him around town and catching up to talk truck's- he always had a smile and the time of day to give you and I truly appreciated it. One time after dropping off a load of crushed stone for my driveway he swung thru a few days later in his newly acquired white lifted drw powerstroke to say Hi and we had a great chat. I just saw the APCO 2 GMC running thru Seabrook the other day and had made a metal note to reach out. :-(

Eric, you are gone way too soon but your memory will live on. Sincerest sympathies to your girlfriend, mother and friends.

Rest in peace Eric, thoughts and prayers to your family and friends at this sad time. Although we had not seen each other in several years, I am glad to have known the great kid you were throughout grade school and high school, and can still remember hearing your diesel pulling into the high school everyday, and thinking Eric's here! You will be greatly missed!

“ I'm so sorry to hear about your unexpected loss... You have my deepest sympathy. While I've only known Eric for the past two years while he was working with us at Pike, I was impressed with his willingness to help with anything we asked, and his desire to expand his knowledge in the construction field. He will be missed on our jobs.

Rest easy Eric.
