“ I went for coffee with Erin and Kelly one day. One day turned into a friendship for life. She was my sister from another mista. We shared stories of love and loss, joy and agony. Her struggle was no different from my struggle. Fly free Erin P. Carey. ❤️

“ Erin worked with us at PC Connection and what always came out to me was her competitive spirit. She was driven and wanted to beat her old friend Jill Henault. She was also very trying at times but her drive to become successful and her compassion for her customers always overcame her desire to drive me crazy. I pass along my condolences to the Carey family. Erin left this world was too early.

“ I have such fond memories of Erin. We were roommates at PSC and later after College Erin joined me at PC Connection where she thrived in sales!! I will always remember her spirit and her passion for success! Nothing held Erin back. The last time I saw Erin was my 50th birthday. Sadly in retrospect, I wish we connected more frequently. I will cherish the memories I have forever. Many of the folks that worked with Erin and I back in the day, have reached out to me when they heard of her passing. They shared wonderful memories and stories of back in the good ole days. She left a lasting impression on all she touched. My deepest heart felt condolences on the passing of Erin go out to the Entire Carey Family.

So sorry to hear about Erin. We were close in high school and later were roommates in Plymouth state. We did have a falling out and I was always sad we never reconnected as once we were so close. 🙏 sorry to her family
