“ Mae was one of our most revered food service workers with the Pease Greeters. You could always count on her to be at every flt. She always had a smile and loved our troops like her own. I will miss her very much as I spent countless hours at the food table with her. I think God will have a special place for her at his table, and she won't have to hand out plates, but she probably would anyway. Rest in Peace sweetheart, you earned it.

Erna..
When my husband and I moved next-door to you and Chris in the 80s, we were just newlyweds. You and Chris took us under your wings and taught us many lessons in life. You were the best neighbors. You even put up with my husband and his friends singing “ God Bless America” one late evening on our deck (after clearly having too much to drink). Laughingly, you never let us forget that.

You touched many lives through the years.
God rest your souls.

Prayers to Chad and your entire family❤�
