“ *To Ernie, Danny, and Cherry, my deepest condolences to you and your families., I have so many fond memories of your dad growing up on Verdmont Ave. The 4th of July cookouts at the Russells the night before was the parents party , the next day for the kids. and some times still days after. The day trips to Captain Pond and then camping at Old Stage Campground. oh to turn back time. Your dad was always smiling and ready to help anyone in need. The last time I saw him was at Marions funeral and he hadn't changed a bit. He has joined your mom and the rest of the great neighbors of Verdmont and I bet they are having one great reunion!! Treasure all the happy and great memories you have to help you through this sad time. Rest in Peace Big Ernie*

“ *Stories to tell. I would not know where to start.
Other than when you got three brothers, your sure bound to bang
heads. Piss and moan. Live love fight and die. But family is for ever.
And us spaulding's we have had our share of it all.
Last time I saw him we talked about my dads passing away.
He told me to never think that all the fussing we did was not
because he didn't love you. It was because he did love you. That's
what dads do they fight like heck to see you get the point of it all. I
fought all the time with my brothers and dad. Ernie told me. but
when we needed each other we were there. Just like you will find
with your brothers. So don't worry about the fights it's ok. Just make
sure you take care of your family. The rest will fall in place some
day. Ernie always took care of his family, just like my dad took care
of his own and I will take care of mine. Just cause we may not
always agree the love is always there. We are family.
Our prayers go out to you Ernie, Danny, Cheryl,
He will be missed.*
