April 16, 1936 - June 8, 2015

Exeter, NH – The world lost a generous and caring friend in the passing of Esther Joyce Cash on June, 8, 2015 following a courageous battle with a lengthy illness.

Joyce was born in Manchester April 16, 1936 the daughter of the late Joseph P and Agnes (O'Malley) Bryson. She spent her childhood in Manchester graduating from Manchester West in 1954 and later from Simmons College with the Class of 1958. Her happy summers were spent at Hampton Beach with family and friends at their summer cottage.

Joyce used her degree in library science and her love of literature as she worked as librarian in St. Anselm College and Memorial High for a number of years before becoming an Administrative Assistant for the Mechanical Engineering Dept. at UNH. During her time at UNH she became a mentor to countless students and staff and made many lasting relationships.

She shared 24 years of marriage with her beloved husband August Cash who predeceased her in 1997. She shared their happy moments together first in Hanover and then at their home in Hampton.

Joyce enjoyed reading, her many dogs and the smell of the ocean. She had a warm heart and always had an open door at her home. She leaves behind

“ *I know her from RiverWoods. I am a LNA and took care of her the days she was on ALU and SNF. She was such an amazing lady, she was such an inspiration. I wish I have had known her longer. I love her. I will miss her a lot. I will miss the time I spent with her.*

“ Mrs. Cash, you changed all our lives that you touched at Riverwoods. We loved you very much and you always lightened our days and our hearts. It was a joy to know you and to love you. The hugs you gave us each day were as important to us as they were to you. We loved you very much and will miss you every day. Go in peace and spend all of eternity with the one man you always loved. We just hope you will look down on us and always bring the comfort and inspiration to help us in difficult times. We miss you so much already.

“ *Joyce (and Gus) were very special people and gave such kind and caring support to me during my years at UNH. I have very fond memories of spending time with them at their house and the numerous projects we created.
