“ *Today I came across a handwritten greeting card from Evelin and the card stock was from the Humane Society, the date was 10-10-2008. I worked with Evelin as a fellow apparel quality professional from the Gem Group, we were a supplier to Timberland at the this time. We shared so many stories and I learned many things from her. Her knowledge and professionalism was second to none. I will always remember her with a warm smile and great respect.*

“ *Evelin was one of my favorite people at Timberland. No one took their work more seriously than Evelin. She was so uniquely herself and had so many interesting stories and insights to share. I remember times with her fondly. We kept in touch after I left Timberland but I, like Lauren deeply regret that I didn't organize a time in the last few years to get together. My deepest condolences to Evelin's family. May she rest in peace.*

“ I met Ian first, back in the mid eighties, through our church youth groups. Evelin made my prom dress for my senior prom. Later we worked together at Timberland and had many, many laughs over the years.

I'm devastated to have let the years pass without finding time for a visit or a meal with Evelin. Her spirit, her spunk, her outlook on life all made such a strong impression on me and I'll never forget her. Ian, I'd really enjoy reconnecting to hear about your fabulous life. I'm active in the usual social media places if you want to message me (fb and linked in).

Evelin, MSU you Rest In Peace knowing you touched my life and so many others.

She was a wonderful and lovely woman. I worked with her at Timberland many years ago! I sometimes would run into here while walking my dog in Greenland as she was out walking herself! Prayers to the entire family..
