“ *I remember your mom when you all lived on Cogger St. I was friends with Debbie. When she arrived at the nursing home I reintroduced myself. I had hoped to bump into you Debbie or Kathy but it didn't happen. She was very recognizable to me after all these years and I enjoyed our chats. She was as I remembered her. Hope you are all at peace. Kathy Gagne*

“ *Girls, I'm sorry to hear of your Mom's passing. Carole and I lived on the other side of the empty lot on Hobbs road and I worked at Chemtan with your Mom for all the time she was there.*

I remember all you beautiful girls and especially Donna who babysat a few times for us.

Fond memories of that time

All of you keep healthy and be happy as you remember your dear Mom.
