

## Fran Tobin

March 21, 1935 - December 28, 2024

Hampton- Fran Tobin, whose gentle kindness and loving care supported her husband and children throughout over sixty years of devoted marriage, died on December 28.

Making homes for her family in Paris, France and Munich, Germany during her husband's work overseas as well as elsewhere in the States before settling in Hampton in 1983, she brought her easy grace to every setting. Through leading volunteer mothers at the American School of Paris and the Munich International School, she enriched both places.

In Hampton she was a long-time presence in women's groups devoted to the Ogunquit Playhouse, exercise classes and convivial lunches in the Seacoast area.

Born in Saugus, MA in 1935, she was a graduate of Saugus High School and a secretary at General Electric in Lynn, MA where she and John met.

She was the beloved wife of John, caring mother of Tracy and Steven, and doting grandmother of grandsons Kyle and Logan. She is additionally survived by her brother Ken Stewart, her sister Elaine Cornell and daughter-in-law Suzanne Tobin.

A memorial will be held in the spring to celebrate her life.

“ Fran, I'll miss our chats about what's on Masterpiece Theater at birthdays and the holidays. You were so kind to us. So much so that we all really became family! I'll miss you!

“ Ahhhh, Fran, you always made me feel comfortable and loved in your home in Hampton. I would drive up and jump out of the car to get my Tobin hugs! You and John were always gracious and interested in what was going on in my life and I in yours <3 My forever friend, your daughter Tracy, introduced us many years ago and I never thought I would see the day when I wouldn't be able to see you again. I hope you know I will be stopping in to see John when Tracy is home. Traditions are hard to give up<3 You had a full life Fran, you are an inspiration to both Tracy and I. We both work hard to be healthy and to give back to our communities. I will still be going to see John when Tracy comes home. So, we will continue to celebrate your life, lighting a candle so that you can see your way as you continue your spiritual journey! I hope to see you again and get my hug <3 Love Dianne
