Watcha gonna do, watcha gonna do
when they come for you
Bad boys, bad boys
Watcha gonna do, watcha gonna do
when they come for you*

I will never forget running into your bedroom in Sutton and hoping in between you and mom while we waited for cops to come on. As soon as it did we would burst out singing the theme song. You are my daddy and my hero. I love you so much.

“ *The first day we moved to Hampton Buddy and I went down to walk on the beach and enjoy the ocean when we came across a cohaug in the tide pool. We were so excited we took it home and Buddy made a stuffed cohaug for our first diner in our new home. Didn't take much to make us happy, happy for 42 years.*
