“ *So many good memories of frank and his beloved Roseanne. A class above men. Dry wit and humor was his strong point. Never had a bad word to say about anyone. I will always remember him when we coworked at lupos as bartenders. I know he's up there fishing on the bench with billy nadeau. May you walk with the angels my heart is broken. Hampton beach will not b the same without frank love ya! Lisa Chandler forsberg*
