“ *My thoughts, and prayers are with Frank's family, and friends. Frank and I were in the same class from 3rd grade through 8th, and he was always a sweetheart. Frank got along with everyone, and I can't ever remember him without a smile on his face. I have that wonderful memory of running into you at the Little Market Basket. We took a few minutes to catch up with one another, You will be missed Darlin, Give your mother a big hug for me, she was one of the very best woman I have ever had the pleasure of knowing, Until we meet again, Love Liz*

Frank was one of the sweetest guys I've known. He always had a smile on each and every time I saw him. I worked with him at Henkel as well and he was so well liked by everyone for good reason. You will truly be missed, my friend.
