I believe that I can speak for all of us when I say that it has truly been a blessing to have had my dad in our lives.

My father was one of the most patient, gentle, kind, & loving person that anyone could ever meet throughout their life time. I say this, not because he was my dad and I loved him dearly, but because that's who he truly was.

He was the type of person who would never speak a bad word about anyone, never hold a grudge, and never fed into the drama that seems to be prevalent in today's world. He always stayed true to who he was, and never changed.

He was always a positive influence in any life he touched, and was most certainly the best role model that myself, my brother Frank, and my sisters Hailey & Lacey could have ever hoped for.

I am truly grateful that he was able to meet, fall in love, & marry his one true soulmate, best friend, & life partner, MJ, during this life time ❤️ Dada, you will be greatly missed by all 😭

“ Frank was the best brother I could have asked for. He was always there if anyone needed him. I remember my younger years spending a lot of time at his old home in East Kingston. And almost every year he took me and his oldest daughter to an old home day kind of thing. Except they had many different bands playing. They weee always so great to go to.

Frank I was selfish and didn't want to lose you. Now you can rest in peace and feel no more pain. You put up a great fight. Which kept you around longer than most people could. You are now back with Ma, Dad and Audrey. One day we will see each other again. I Love You my Brother.

My hugs and Love to Mary Jane, Hailey, and Lacey. Thanks for taking great care of my Brother 🙏💙🙏
