“ I knew Fred from my childhood days growing up summers in LBH. He was wonderful to us kids back then as we biked around the neighborhood, played on the Halsey/Talbot fields and probably got in his way as he tried to manage the property! He took great pride in making sure that the grounds on Willow Avenue were manicured and that the big house was maintained to the best of his ability. Back then, those houses were really "lived in" and not just in summer, as on Fall and Spring weekends regular visits from Boston were made. Always friendly, willing to help and a problem solver.....Fred was the Best! My condolences to his greater family. May he Rest in Peace.
