There's no word that can express how sorry we are to hear about the death of Fred. Were very stunned to hear this news and still can't believe that it really happened. During this difficult time, our thoughts and prayers are always with you.

“ My husband and I owned Riverbank Rooms for nearly twenty years. Fred was a part of Riverbanks. for. several years. He was one of the very best tenants during all those years. he was never a problem and on many occasions he helped wih projects. So sorry about his death but all of his family should be very proud of Fred.
