“ *I met Gabe when I was 14 years old, back in the "wild" Hampton Beach days that included personalities like Wally Robinson, Bill Grammatic, Gabe, and many other "larger than life" figures. He gave me one of my first jobs at the SeaCrest motel and was in attendance at my wedding.*

Gabe was a great guy, fun to be around, and always super great to, at the time, a wise-ass "kid" like me. I will always have fond memories of that Lincoln Mark IV that I one day hoped to drive.

Thanks for the fond memories Gabe, and I'll see you on the other side.

“ *So sorry to hear of Gabe's passing. I had played at the Club from 1980 through 2010. Gabe was always around to care for things. Without him, this club would not have continued on. He relished improving his own game, enjoyed the banter of a good doubles match, enjoyed seeing up and coming players and mediocre players improve through the years. I sat in his office and enjoyed his wine making skills or a glass other delights. I always enjoyed the visits, travel well my friend.*

“ So saddened by your loss of your Soulmate Luz. You and Gabe shared a couple glasses of wine with Geannina and I on different occasions. I remember when the two of you came to our Salisbury Restaurant one evening with a bottle of wine and asked us what our specialties were. Knowing what passion Gabe had for life and food we did our best to please his palate. Chuckled when I read the remembrance of a friend sailing with Gabe and losing their keel. Gabe gave us an anchor for the restaurant.

After losing my 88 year old mother last month. I know that it will take time to find a new normal with him always in your heart.

“ Gabriello was a friend of my mother and father. I sailed with him once and we lost our keel. Hard to imagine but true. He was a good man and sad for me; that we lost touch over the last 20 years. My sympathies to his family.

Gabe gave me my first job at the tennis club when I arrived in Hampton from Canada in 1992. I was always grateful to him and also knowing Luz is a privilege ! 🙏 sorry for your sadness dear friend.

“ Dear Gabrielli family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
