

Gail M. Lattime

February 19, 1958 - February 27, 2021

Salisbury, MA – Gail M. Lattime, 63, of Salisbury, passed away peacefully on Saturday, February 27, 2021.

She was born in Newburyport, MA on February 19, 1958, the second of four daughters of the late Walter E. Perkins and Barbara J. (Gardener) Gallagher. She was a lifelong resident of Salisbury, who married the late Donald A. Lattime Jr. and went on to have one daughter.

Gail was a kind and gentle person who never had a negative word to say about another. She always thought of others first, putting them before herself. She had a steady strength which enabled her to face the challenges in her life and allowed her to be accepting of everyone regardless of their position or views. Material possessions were not important to her. Her most valued treasures were her family; her daughter, her sisters, brother in law, significant other, nieces, nephews and grandchildren and her two dogs, Scout and Twinkles.

She was happiest with the simple pleasures of life; taking care of her yard, feeding the birds and spending time with her animal's especially her two dogs who she loved tremendously. Gail's heart was so big it had room for everyone and everything. She would take in people and animals who needed someone to love them throughout her life. If you needed someone her door was always

open, she was always there to listen and her shoulders were always there to take a little of the burden.

Surviving family members include her daughter, Brandy Lattime of Salisbury; sisters, Linda Fraize of Seabrook and Janet Dow and Husband David Dow of Seabrook; significant other, Clinton Pike Jr. of Salisbury and his daughter Alyssa Pike of Kingston, NH and many grandchildren, nieces and nephews

In addition to her parents and husband, she was predeceased by her step-father, Richard Gallagher and sister, Jill Lattime.

Her huge heart of love, kind accepting soul and non-judgmental ways will be greatly missed by all who knew and were touched by her. Her loss leaves an aching hole for her family and friends which will never be filled but all are so blessed to have had this beautiful soul in their lives and hearts.

“ *So sorry for your loss Linda, Janet and family. It has been many years but I have never forgotten our friendship. I have heard a lot of Bob Seger lately and have great memories of seeing him in concert with Gail and Gary. We worked together and hung out together. Drank white lightning and had lots of laughs and tears. Hope that you are carrying on with those that we have lost for another adventure.*

“ *I remember her most from our younger days in the great memories at Chase's Court with Nana, Bumpy, OWO, and the whole family together. She was always a "great kid" to me; and always had that big smile.*
Life happens, and we grow up and apart though the years, but those times of innocence will never be forgotten.
Rest in Peace, Gail
