

Garfield L. "Gary" Tuttle

June 3, 1953 - March 7, 2018

Seabrook – Garfield L. "Gary" Tuttle, 64, of Seabrook, died peacefully on Wednesday, March 7, 2018 at his home.

He was born in Exeter on June 3, 1953 a son of Rebecca (Flanders) Titcomb of Kensington and the late Harlan Titcomb, as well as his father, the late Earl Tuttle.

Raised in Hampton Falls, he graduated from Winnacunnet High School with the Class of 1973.

Following graduation Gary worked in the construction field for a few years before starting work at Phillips Exeter Academy as the Facilities Manager, only recently taking a leave of absence after 30 years due to illness. He truly enjoyed his job and the many friends he made while working.

Gary was a jack-of-all-trades and avid outdoorsman, who enjoyed restoring antique cars, hunting, fishing, camping, and gardening. Family was a huge part of Gary's life and his greatest joy was spending time with them.

He met his future wife Diana K. (Davis) Tuttle of Seabrook at the age of 15 and from then on they were inseparable, marrying in September 1973 and sharing 47 years of marriage.

In addition to his mother and wife, surviving family members include his siblings, Brenda Roy and her husband Bob of Seabrook, Virginia Riley and her husband Rick of Hampton Falls, Ivy Burditt and her husband David of Hampton Falls, Gladys "Dutch" Felch and her husband Chet of Kensington, Kathy Campbell and her husband Bryan of Exeter, Harlan Titcomb Jr. of Virginia and several nieces and nephews.

In addition to his fathers, he was predeceased by his son James Tuttle in 2015 and his sister Claudia Abrams.

Visiting hours will be held from 1-5 PM on Sunday March 11, 2018 in the Remick & Gendron Funeral Home-Crematory, 811 Lafayette Road, Hampton. Services will be held at 11 AM on Monday March 12, 2018 in the funeral home followed by burial in the Hillside Cemetery, Seabrook. Relatives and friends are respectfully invited. “ *So sorry to hear this. Gary was a good, respectful man with a great sense of humor. I worked with Gary on some projects over our years at PEA and he always told you straight what could be done and what couldn't be done (and why). He was never dismissive and always cooperative. He'll be missed.*

“ Gary, always ready with a smile and funny story, was such a help to me when I was recovering from surgery in 2003. He and his crew built a ramp for me to access my home with my scooter and to enable me to get to work as an Assistant in the Major Gifts Dept., as it was called, back in the day. I am saddened to hear of his passing, but wanted to share this little story with you to show you how much he meant to people in the PEA community. Connie Macdonald (PEA 2000-2011)!

“ Gary was as kind, warm, and generous a person as I have met in my 19 years teaching at Phillips Exeter. There was never a favor too small or big that he wouldn't consider doing to help us manage in our strange building called Fisher Theater. We had an ongoing working relationship that was usually preceded by a rolling of the eyes and a humorous comment about the theater. As a carpenter myself I appreciated his skill at woodworking and cabinetry - he helped us many times over the years. When Gary found out he was ill, it didn't seem to phase him. He kept his humor alive, as well as a can-do attitude. I am very saddened by his passing, and my heartfelt sympathies go to his family. Cary Wendell

“ My heart is totally broken for you Diane... Kimberly came over and told me yesterday that her God Father had passed... It seems like yesterday I was in the hospital having Kimberly on September 28, 1973, and You and Gary got married the very next day... I didn't go to the wedding of course, but I was at his bachelor party because it was at our apartment in Hampton, and I was ready to give birth. I must say they were all well behaved. The four of us had a lot of fun, and that man loved you with all his heart and soul... You truly were the loves of each others lives. This isn't Good Bye Darlin, It's simply I'll See You Later. You are in my prayers, and if you need anything at all please call me. I'm just a phone call away... Love you... And Gary can you keep my girl Kelly in line until I get there.... God Bless

I knew Gary only in the work setting.

I remember when he came to Exeter Academy from Shawmut Construction. That was about 30 years ago. Hiring him was a great decision.

Gary's ability in dealing with facilities was overshadowed only by his kindness and sense of humor. His work was of the highest quality.

I will remember his kindness most of all. Whenever anyone had a problem with their work or living space, Gary would make them feel at ease and confident that their problem would be solved. Whenever he saw someone, he greeted them with an upbeat and caring "Hello," You always had the feeling that he cared about you.

I think Gary almost never got down, no matter the circumstances.

He had the best sense of humor, and was not afraid to show it.

Gary was beloved, especially by his colleagues in Facilities Management, but also by all who worked with him.

At work, I remember Gary and Diana having lunch together every day. An example for all of us.

I send my deepest sympathy to Diana and all of Gary's relatives.

Most Sincerely,

"Jef" Fellows
