“ Gary you were a good neighbor, you welcomed my family and myself into your life which will never be forgotten. The work we did together on your bike and the fun we had. Your heart of gold is still shining. We will truly miss you my friend. Ride the clouds and rest in peace. Steve and Heidi.

“ *I've only known Gary a short while, but he took great care of all of us here at Packer Meadows. The grounds and common spaces haven't looked this great in years. He was a very hard worker; I often referred to him as the Energizer Bunny. I will miss his smile.*
