

Gary Joseph Khoury

December 20, 1966 - November 12, 2022

Gary J. Khoury

December 20, 1966 - November 12, 2022

It is with great sadness that we announce the passing of Gary J. Khoury of Stratham, NH: A transcendent man, spectacular husband, father, son, brother, and friend. "The Gar," as he was known by those that loved him. Gary passed away suddenly and unexpectedly from cardiac arrest on November 12th, 2022.

Gary was loved and appreciated for his untiring devotion to all he could help and support, while always deflecting any personal recognition. Even from a young age, he had an intuitive kindness for those in need, working with special needs children. He would quietly spend time with a friend or extended family member hospitalized or in hospice, including, most recently, his beloved Aunt Marilyn, who predeceased him earlier this year. His ability to put others at ease at any time and his sense of humor were unmatched and legendary. Gary was a true superstar on every level.

Gary was a 1985 graduate and the senior class president at Salem High School. He was inducted into the SHS Hall of Fame for football (quarterback) and track and field (held the state record for high hurdles). He attended Colby College and then went on to be an honors graduate and a quarterback at

Tufts University. After undergraduate college, He traveled to Japan and mastered fluency in the Japanese language. He became an instructor at the Japan Exchange and Teaching Program and obtained his master's degree at Sophia University in Tokyo.

Gary's discipline and intellect were highly respected. He was a proficient and masterful martial artist, and admired in the martial arts community. He won numerous awards/competitions, not the least of which was the Southwestern Japanese Championship in Okinawa. Gary and Cindy owned and operated Khoury's Karate Academy, the second-largest martial arts center in New England. Gary was an inspiration and loved by his students and their families.

After September 11th and because of his strong desire to serve his country at the age of 39, Gary entered the United States Army. He served in Iraq during the Iraq War. Captain Gary Khoury was a Bronze Star recipient and distinguished soldier with many awards. These experiences led him to write his book, "Fighting 40."

Gary's professional accomplishments knew no boundaries. He managed Bishop's Market and served as a reserve Salem police officer. He owned G.J. Khoury Enterprises, Inc., a consulting business. His corporate positions as Account Executive for EMC, Territory Manager for IBM, Senior Sales Leader for Amazon, VP of Strategic Programs for Red River, and most recently, the Chief Revenue Officer for SkySafe proved that the sky really is the limit.

Gary was strong, brave and humble, most of all overflowing with compassion and humanity. His loving and beautiful wife of over 20 years, Cindy and his greatest gifts, Rachel, Jaclyn, Nicholas and his stepson, lost the center of their world far too soon. He will be missed so very deeply.

Gary is also survived by his parents, to whom he was the most devoted and

loving son, George and Patricia Khoury, of Salem, his brother, Scott and his wife, Gisele Khoury of Hampton; Patrick and Heather Khoury of Cary, Illinois, and his sister, one of his closest confidants, Pamela Khoury, Esq., and her son, Max, of Salem; lifelong friends, Steven ("Buck") Malisos, and Steven ("Deke") Diantigikis of Salem, NH, and Robert ("Bobby") Spoon, of Wenham, Massachusetts. Gary will also be missed by his niece, grandniece, nephews, aunts, uncles, and cousins.

A memorial service will be held for Gary on Saturday, November 19th at 11:00 a.m. at Regeneration Church, 4 Elm Street, Exeter, NH. Please allow extra time for on-street parking. The wake is being held for family and close friends.

“ To the Khoury family - I met Gary a few years ago through work. We have a similar passion for martial arts and became fast friends. While I only knew him through my professional circles I am deeply fond of him and very sorry to hear of his passing. By all accounts from everyone I know that knew him, he was a rarity of a person being a truly awesome man. Condolences to you and yours.

“ Many years ago my husband and I as well as our children studied marshal arts where Gary was a young student during the years he trained with Buzz Durkin. I always remember how kind and honorable Gary always was as well as strikingly handsome and physically fit. Gary often volunteered to teach the children's and teen's classes which were always fun and enjoyable for our children. I clearly remember when Gary went to Japan and the good he did there but also his hilarious story and film clip of when he participated on a Japanese game show and what a good sport he was about the whole thing, particularly that he was so tall that he towered over his Japanese counterparts.

We were sad to hear of Gary's sudden passing and want to extend our sympathy to his family and friends. He will be greatly missed by all he touched.

“ I have so many fond memories of Gary from my years at his karate school. Gary was an incredible person that I looked up to in so many ways. Sometimes I would come early for class and watch him teach the kids. What he was able to teach children was truly amazing.

Often after class I would sit with Gary in his office. I would remind him that someday some of these kids are going to find you and thank you for what you are teaching them. I told him that I would have given anything to have had a mentor like him when I was only 10 years old. I am positive that many of those kids had better lives because of the time that they spent with Gary. I know I have.

Gary you will be greatly missed and I will cherish my memories of you. My deepest condolences to your family and friends.

I had the great fortune to serve with Gary in the 1st Battalion, 507th Parachute Infantry Regiment and then to follow his actions and service with B Company, 1st Battalion, 15th Infantry Regiment. One of the absolute best leaders and men that I've ever known.

“ I'm saddened that the world has lost another fine man who started out on Williams Street in Salem, N.H. From decades ago, we knew Gary as another happy little kid with a great smile just making his way in life while living up the street. However, today we are deeply moved and very sorry to learn of his passing. From that little boy we see that Gary grew into a very good man. Bless his heart. To Mr. & Mrs. Khoury, Patrick, Scott, and Pam our deepest and warmest condolences go out to you and the entire Khoury family. With sympathy to all, the Brandano family.

Gary was a great person to know and call a friend, for me it was long ago in the days of Woodbury and SHS with intramurals in the sports fields, courts, etc...we are all privileged to have known him. What an accomplished person, especially touching so very many people in his nearly 56 years. May you all find comfort in preserving his countless memories.

“ Our last conversation was about a mastery of life being in humility. Gary could make anyone feel the center of the world. I never measured his strength in physical terms, and yet he was one of the strongest men I've ever known. His impact will reach so far beyond his hugs. I loved the way Gary lifted others. He was Blessed with a force so far above this world, those who loved and knew him felt that, I will miss him so deeply. A soul like Gary's continues on always. I lift Cindy and the children in prayer most right now in this toughest of times.

“ I remember Gary from Barron elementary. He used to run around the playground pretending to be Superman. I was happy to see him on Facebook a few years back and see how he stayed true to being a hero. This was one good dude. His obituary is amazing. If we had more people like Gary, our world would be a joy to live in. Can't believe he died this early when he was so active. Anybody can go at anytime seeing Gary is gone. Wow. Wished my path had crossed his more often. This is a terrible loss for his family and all who met him. You fought the good fight. I am sure you are already making heaven a better place. You are leading the way once more. One of God's special ones. Til we meet again, Superman.

“ I was fortunate to meet Gary back in 2002 through Van Canna of the Uechi-Ryu Karate discipline. He was always so fond of Gary as a martial artist but I'd say more importantly as a honorable and respectable human being. Through the years we'd visit Gary's dojo for seminars but mostly he'd also come down to spend time visiting us. Being a few hours south it was always a full day event which Gary was more than happy to take on. I can't tell you how much a visit from Gary meant to Van. After Van's son passed away from cancer, visits from Gary really helped pick up his spirits which was, as you can imagine greatly needed and very much appreciated. Gary and I would speak on the phone every few months and he'd fill me in on the adventures of his children and family. You could instantly tell, he was a proud father and family man. Gary's last trip down was on January 21 this year to pay his respects as we lost Van 1 year prior to the date. After spending some time graveside, Gary took myself and Sensei Arthur Rabesa out for lunch at one of Van's favorite places. It was precious time together sharing stories, a wonderful afternoon. When it was time to start making his way back, as always a strong embrace from Gary and "I love ya buddy." I'd say the same and always thank him for all his efforts over the years to come and spend some time together. Gary Joseph Khoury, a true and honorable friend I, and so many are blessed to have.
