“ We will miss seeing George leaving his driveway every day to go to the grocery store to buy supplies for the evening meal he would prepare from one of his many recipes. His stuffed mushrooms and clams were always a hit with everyone at the family gatherings. Rest In Peace. Joy and Jack Merrill

“ How I will miss you, dear brother, nicknamed: "le beau Georges". I will miss all your phone calls, the emails and mostly the pictures of the family events that you sent so faithfully every time there was a gathering of some sort. These helped me to vicariously participate with the family during the birthdays, holidays and other events. It's as if I was there as an observer.

Though we were far away in miles, you were always there for me as a support with your wise, newsey letters and thoughtful comments.

I cherish the memories of the many visits with the family at Thanksgiving and Christmas in New England. I so enjoyed the seafood and your gourmet-prepared meals. I feel blessed that we had these many years of friendship together.

You will live in my heart and it is my hope that we meet again somewhere in God's vast Creation. Be at Peace as you await your next life journey. Love and a Heavenly hug,

Fran
