“ I had the privilege of meeting George as the bouncer at Bill Baileys club. He was a tough guy but once you got to know him he became a true friend. We caught up many years later and I sold him a number of automobiles and trucks that George always customized for " The Look" Our dealership hired George as a driver to go get sold units all over New England. He loved cars and he loved to drive. George was a true original and we enjoyed him so much. All my prayers to all his children and Priscilla. Scott Taylor WHS 1980...

“ I was privileged to have Mr. Royal as a hockey coach as a Hampton youth as well as at Winnacunnet High School. Mr Royal loved coaching the game of hockey and truly enjoyed the kids he coached not only in hockey, but in life. I will miss Mr Royal both as a coach and a friend. My condolences to his fine family.

“ Dear Mrs. Royal and family, I heard recently from my friends of mine in Rochester that George had passed away and I wanted offer you my condolences. Though my two (2) sons did not directly skate for George, he would step in to assist there coaches if they were absent or needed help....he was not just a good hockey coach, he was a premier coach, one of the best during his time in Rochester, NH.
