“ *I love you Jerry. We shared a bedroom as children we shared life as adults . You , Ma, Dad,and Vinnie are together now ..all sitting at the table in Saugus again..I can see it. You are all happy and Freeno physical ailments to hurt you anymore.*

I want to thank everyone for their kind words and prayers for my brother Jerry and for my family and I. My brother Jerry hears your words and prayers. Jerry was the kindest , gentlest , loving , and forgiving man I ever knew. He was just like my mother . He loved everyone, loved talking to people . I always will remember that he lived the life Jesus wanted people to live. He would give you his last dollar if you were in need..and did to friends and strangers many times . If you were sad and hurt he would give you his time to just listen and let you vent.

He was a much greater man than I ever could be. Because he was humble. He never held a grudge...and forgave everyone. He loved his family and friends. He loved everyone.

The prayers of those around us get us through our hardest and saddest moments. Jerry was pure goodness and love. He was an adult with the innocence of a child. You touched many lives Jerry and without knowing it , taught many to treat others as you want to be treated.

Rest in peace Jerry...til we sit at the table as a family together again, remember..I Love You

“ I am so very sad and sorry to learn of the passing of Gerry. I never knew he was an Eastie kid. I am a stand up comic from Charlestown but my home club is The Winners Circle in Salisbury. Gerry and Linda were the official audience members. I don't know of many shows they ever missed. I do know I had made it when They became fans. Both always happy to see me and a pleasure to speak with pre or post show. My sincerest condolences to all who loved him and especially the Love of his life Linda. How I am going to miss him. Tomorrow night will be the first time I am back since covid and it is going to be so very sad.
