“ *Thank you Mom, I know I was your little monster as you would say. I tried to do my best, but couldn't make it all 100%. I never dreamed things would turn on you. As I always said " You were making your place in Heaven " doing so much for everybody, but you enjoyed it. You were there for me with all my Health issues and helping Lori and I with the kids. 30 yrs 1 month and 19 days you made it back with Dad I am sure. I go by and realize your not there, but in a better place now, but it hurts so much. I love you and miss you so much already. XOXO :(*
