

Gerard J. (Jerry) DiStefano

May 31, 1952 - July 17, 2023

Gerard J. “Jerry” DiStefano passed away peacefully in the care of hospice on the morning of July 17th, 2023, after a long battle with chronic congestive heart failure and kidney disease.

Jerry was born on May 31st, 1952, in Winthrop, and was raised in East Boston, and then in Peabody, Massachusetts. After multiple moves Jerry finally settled down in Seabrook, New Hampshire.

He was the son of the late Girolomo “Jerry” and Pauline (Sbriglio) DiStefano.

Jerry is survived by his daughter Krista and her children, his former life partner Andrea and her children, his brothers Paul and Angelo, sister-in-law Christine, niece April and nephew Angelo, along with many other cherished relatives and close friends.

He was a loving husband, father, grandfather, son, brother, uncle, and friend, who was unfortunately taken from us way too soon.

Jerry graduated from Peabody High School and joined the Army shortly after. He then started a family and became a father to a daughter who he loved more than anything in this world. Jerry later found his true passion for carpentry. After years of working, learning and becoming highly skilled in his profession he started his own successful construction company. Years later Jerry moved north and settled in Seabrook where he delivered Flowers for his dear friend Maryanne, and loved to go down to his favorite watering hole, the Galley Hatch to have a scotch and sit with friends. Good people in his life like his family, friends and his very special neighbor Buffy, helped make sure he

was looked after and cared for as his condition worsened. He was a good man and will be missed by all who knew and loved him.

There will be a private memorial service held by his family. In lieu of flowers, donations may be made to the American Cancer Society at <https://donate3.cancer.org/>
