“ *I am so sorry to hear of the loss of Gert. She was a very close friend of my mother, as they worked together at Jerry's for years. After Jerry's closed they stayed in close contact and would go out together for some fun.*

She was a sweet lady and such a good friend to my mother. I hope that the two of them are dancing in heaven together.

“ I just read in the paper of the passing of your mom, Gert...What a wonderful, fun, kind person...Many many years ago I was among a bunch of ladies who used to play bingo every week and she was always wonderful to be around. Over the years I lost touch but always wondered how she was doing. Please know I share your sorrow and my prayers and thoughts are with you. May warm memories and happy thoughts ease your sorrow. “ Aunt Gert i'am gonna miss you dearly, you brought so much joy and laughter to me and anyone that was in you'r presence. You was so proud and happy with you'r room that pammy & Dick opened up to you in their home, that everyone that came to visit you was given the tour. then the music would begin,you would start playing you'r dancing dolls that you loved so much, and start dancing with them. You was one of a kind Aunt Gert. I will miss you terribly. You are among the Angels now and I'am sure you have already gotten you'r wings.
