“ *RIP Glenn. Miss working with you. We always had big 4th of July cookouts with lots of fireworks. One year I asked Glenn if he would like to come? He said sure, can I bring my cannon, we'll see if we can piss off some neighbors! I said absolutely ! The morning of the cookout, in drives Glenn towing his cannon. He was the first one there and got it setup out on the gas line. Next thing I know he's dressed in correct time peroid clothing! He looked great, sure knew his history and yes you did manage to piss off a couple of neighbors with that cannon. Thanks Glenn, miss you buddy!*

“ Always loved waiting on Glenn and Darlene every Friday evening at Logan's Run in Hampton. He and my son in law, Steve Bowman were always happy to see one another as customers at Logan's and would share stories about their love of surfing together. I also loved hearing about Glenn's times at Strawberry Bank. He really loved the time he spent there.

I believe it was a Ford Ranger that he was hoping to fit everything into for their new adventures in Florida.

So sorry to hear of his passing.
