“ *I've lived across the street from Gloria for more years than I can count. She was the kindest and such a talented lady. Loved our conversations. It's hard to look across the street and know Gloria will not be there, but in spirit she will. We will all miss her and her smile. She was such a good friend and a wonderful part of our neighborhood. Rest in peace now, Gloria. We love you.*

“ Gloria was such a wonderful woman. In my many years of having the pleasure of calling her "grammie" she has always been so warm, kind and welcoming. Her presents were the best they were always hand made with love. I hope she is resting peacefully watching over the ones she loves. Love you, grammie. ❤️

“ Gloria was my neighbor for many years until I move away for
several years. I did get to speak to her several times when I heard
that she was not well. We made several attempts to get together but
when the day would come she was not up to company. I missed out
in seeing a very dear friend. She was busy making cookies, beading
and sewing and hosting Mary Kay parties that many of us would
attend, She was my very best friend in the neighborhood so often
she would call and invite me over for tea and hot cookies right out of
the oven. She will be missed by many friends. My sympathy goes
out to her family. REST IN PEACE dear Gloria.

Gloria was always up for company. She'd call me randomly at midnight
to talk or visit.

“ Many years ago Gloria was making clowns for the Hampton Methodist church fair. I could not resist buying 1 particular one, as it had a twinkle in it's eye, just like Gloria had! Every-time I would see it I would smile and think if her. I treasure it even more now. Her spirit will remain with us and all those whose life she touched.
