“ Dear Candy & Tom,

Golda was such a wonderful and kind neighbor. She always had a cup of coffee and welcoming word for guests, and said "come again" as they left.

My children loved her, and occasionally "ran away from home" to Golda & Jim's. I would get a call saying, "I've got company." Jim would mow one swath through the high grass so it would grow in and be soft to little bare feet.

I know you will miss her. My heart goes out to your family.

*Best wishes,

“ Candy and Family,

So sorry to hear of Golda's passing. I went to school with Golda in Enfield and we had many fun times on bicycle trips to Lebanon and Canaan. We spent many a noon hour at her home having lunch and laughing, which we did a lot. Will never forget those times and I'm sure you have many more happy times to remember. May she rest in peace.

I'm sorry to hear of the loss of your mother. I did not know your mother well, but when I did see her she was always smiling and happy. Please except my deepest sympathy, my thoughts and prayers are with you and your family.

“ *Candy and family--sorry for the loss of your Mom. We Crate's have many fond memories of your Mom and Dad at our home for lunch after an evening of dancing at the Elk's, when folks dressed up to go out. They were such a nice looking couple. May they both rest in peace together.*
