“ To the children and family of Grace,
Your mom was such an inspiration to me. Her kindness her strength, love of family and an incredibly giving person. I have only just learned of her passing thru a very nice card Carol sent to me. That contagious smile and laugh of hers will remain forever with me. I am so very glad you were able to allow her to live in the home that for all of you holds many a memory. I am blessed to have had the pleasure of her friendship over the years and as well all of you friendships. May you experience peace and a joy filled Christmas
Love to all
