“ I love you Other Nana ❤️ It's crazy to think you're really gone. You were the head of this very big crazy family. You were such an amazing woman. You loved all of your children, grandchildren, great grandchildren, great great grandchildren, and all of your other family members. You never judged any of us. You accepted us for who we are. We all love you more than words could ever describe. It will never be the same without you. We will all miss you forever. I hope you've found peace. No more suffering. I know you will be waiting for all of us at that pearly gate with one of your amazing hugs and smooches. I miss you beautiful. We all do. I love you so much. Give everyone a hug for me please, especially my dad.
