“ Thinking of all his family at this time. My prayers to you. I will always remember the graciousness he showed to my father when Dad was battling Alzheimer's Disease. He and other Masons lost to us here on earth, would take my Dad to Masonic meetings and the East Gate Club. I cannot clearly express how much that meant to Dad, to me and to my family. A grand expression of brotherhood, never forgotten. I am very sad that we have lost another great man of Seabrook past. He is someone others should aspire to be like, as we move along in our lives. Love to you Lillian and all your family.

“ *Pup you will always be that special man that made sure I behaved when I was growing up. I thank you for always treating just like one of your own kids, even though I was your little sister-in-law. I always looked up to you with love, and respect, and knew no matter what you and Lilly would always be there for me. Now your with Kevin, Grammy Alice, Grampa Asa, all all the rest of the family, and friends... And the birds in Heaven must be thrilled to have you there. I love you so much, and I thank you for all the love you brought into my life... I'll see you soon*
