“ One of my most fondest memories growing up was when I spend a few weeks at auntie Carols house and got to hang out with Heather and the other girls. She was so beautiful and funny....I wanted to be like her when I grew up..... that's what I told myself at 10 or 11 years old. She was so nice to me and was a person everybody wanted to be around. I didn't get to see her many times after that but she made a lasting impression on me in those few weeks. Heaven gained a beautiful angel inside and out. Please watch over us all!
Love always, Christina Dillon(Hamel).
