“ *I worked at Salon Patricia in the early 70's and had the absolute pleasure of assisting in styling Mrs. Flynn's hair. I always looked forward to her appointments and our conversations. I am sure she will be greatly missed by everyone she made contact with.*

“ The last photo you saw August 16 of your baby Leonardo.
We had such a great day together.
You looked so beautiful and so happy.
I got everything done that you asked.
But you know that.
'One More Thing'!!
I just wish we had more time.
I miss you.
I just feel lost with out you.
I will love you forever.
Thank you for your love and you as my mother.
You were there BEST.
Until we meet again.
“You Will Always Be In My Heart.”

“ Helen was a wonderful, sweet, and kind woman. I'm very thankful that I had the opportunity to experience her friendship and warmth as a human being. Her cheery tone of voice and beautiful smile will be quite missed by myself and others who had the pleasure of knowing this accomplished, proud, and extraordinary woman.

“ *Helen was one of the nicest most interesting ladies I've ever met. I always enjoyed listening to stories of her life, family and travels. We talked about all her dogs over the years and I met her little Leo who loved everyone. We grew very close and I feel very privileged to have met her. I will really miss her*❤️
