“ *No one can think about the school's "hot lunch program" without having great thoughts about Helen. She was a lady that not only had a life of commitment but a woman before her time with her vision of support for both education and available for the needs of all her many friends.*

“ *Helen was a wonderful woman. I have childhood memories of walking to Drakeside Rd. to see Ginny. She was a great Mom. And she was a trail blazer in making the school hot lunch program what it is today. In fact, I called Helen, back along for the sloppy joe recipe, which I still make to this day.
We extend our heartfelt sympathy to Ginny , siblings and family,

“ *I enjoyed knowing Helen for many years - working at WHS with her. She was always very helpful and shared her kitchen facilities with us for Band Booster events. I found her easy to talk to and considered her a real down to earth friend. My sincere sympathy to her family....really nice "kids". Stan Bednarz, Music Director (retired)*
