“ *Dear Laura and Abbie,*

So sorry to hear about Helen. We were very close, more so when you two were babies. Jodie and I spent a lot of time with you all in Grafton, Mass. I worked with your Dad at New England Electric. He kept saying, "I want you to meet my wife, Helen. I think you two would get along great." When I did meet her, it was as if I always knew her. And later when we moved to York, ME and then Hampton, NH; like we were on the same path. Helen was a beautiful, caring person. She was always there to make you smile no matter what was going on in her life. Sorry we didn't keep in touch after we left Hampton. She was so proud of you beautiful girls and glad she could enjoy her grandchildren. I will think of you always.

Love,

Cheryl Harrington
