“ *Saying goodbye yesterday was so hard. Seeing your children stand around you as a family one last time broke my heart. Then your brothers and sister did the same, such a beautiful tribute to an awesome person. The memories of us growing up are one of the happiest times in my life, you will truly be missed. Have a beer with Dad for me.*

“ I truly regret not seeing my uncle Henry for so long. He was a favorite uncle when I was younger growing up and visiting grandma and grandpa Ott on the lake. I remember when he worked for coca cola and had the two trained doberman pinchers, I was so impressed as a kid as to how he could make them do things on command. We all will miss your kind heart Uncle Henry. Rest in complete peace and say hi to my dad I am sure he has welcomed you already in heaven.

“ Patti, Chris, Amanda, Brianna, Holly & Matthew and all who loved Henry, my heart goes out to you. Henry was a great guy. He and Patti helped me get through some rough times and Henry always made me laugh when I wanted to cry. One time, I volunteered to make a wedding cake for a friend of mine. I was having a hard time with the frosting and I called Patti to ask for help. Patti wasn't home and Henry gave me advice on how to get it done. He was a great dad. He was a whirling dynamo taking care of his family. I am sure he is in Heaven watching over his family. The good really do die young. I am so sorry for your loss of this wonderful man.

“ *With Uncle Henry there were no strangers only new friends . If you were lucky to meet him , you would have a freind for life. He would give anyone his last dime. His family was his life. And he considered everyone family. I will miss his cookouts, motorcycle rides and his caring personality. I know he is in peace beside his mom. Dad, brother and sister, probably cooking a great meal with a beer in hand. Rest in peace my dear uncle you will be missed but never forgotten xoxo*

“ He was a “Gentle Giant”, a truly loving and giving man. To use an old “cliche”, generous to a fault. We will miss him so much. Knowing I won’t see him anymore has taken a bite out of my heart. He was a swell brother-in-law. Please welcome him O ‘ LORD.

“ *My deepest sympathies to Henry's family, friends and his work family at Magnum Machine. Such an incredible guy! When I moved to Raymond, he was my go to when I needed help and to talk. He 'baby sat' my geese when I was away. Truly one of a kind! Heaven has gained a wonderful angel far too soon! Rest in peace my friend! Maria aka MAGOOSE*

“ As a child you took my sister and I into your home. My sister and I have become best friends with your lovely and strong daughters and they became my sisters as well. What I remember most are your backyard BBQs, your bellowing laugh and that warm smile. Your ability to cook with one hand while the other was throwing a Frisbee for one of us kids, consoling a kid that fell down, hugging the love of your life Patti, and of course holding a beer. I will always remember those long summers nights or those fun cozy winter snow ball fights and coco. Rest well Henry you have done amazing work.
