“ *To Ron & Debra,*

*there are no words, my heart aches for all of you.
I had Hunter in my first class I taught at 4 seasons, he was the sweetest. I have included a sweet picture of him from Halloween at the center. I hope it makes you smile and remember good times. He was so blessed to have wonderful parents.
I was happy to hear he and Malachi were still so close, what a gift.
Thinking of you now and in the days ahead.*

“ Our deepest condolences and sympathy. Hunter had such a passion for helping us on Carson for America's team in New Hampshire; from setting up signs around various towns, distributing literature, to holding signs at various polling locations or simply running any errands. He was always eager to help in anyway. Hunter was an absolute delight to be around and work with.

We will miss you!

“ We have several wonderful memories of Hunter but here is one that stands out. This past Sunday Hunter, Andrew and my husband Peter we joking around. Peter brought up a Mark Twain quote; " When I was fourteen, my father was so ignorant I could hardly stand to have him around". When I got to be 21 I was astonished at how much he had learned in 7 years" Hunter and Andrew had a good laugh and then Hunter responded - "When I was younger my Dad and I didn't always see eye to eye but now I understand that my parents really have only ever had my best interest in mind." That made me smile and I feel Hunter would want us to pass that along to you. We're so very sad in this household we will miss the laughter and the joy he gave us. We want you to know that our hearts and prayers are with you at this very difficult time.
Much love,

It deeply saddens me to learn of the tragic end to their lives!
It does bring a little comfort knowing they stayed friends for that long! seldom are people friends from Pre-School to Adulthood!
I'm So Sorry for your loss! My thought and Prayers are with you and the Families!
