“ *Dear Jack, Cindi, Connor and Hunter,*

*This is one of the hardest things I have ever had to do. I've been friends with Ingrid since we were about 10 years old. In one's lifetime you can count on one hand the people you can truly call a friend. Ingrid was one of those people.*

*In our older years our friendship grew even closer.*

*I will miss her so much.*

*Love,*

“ Dear Jack & Ingrid, We will always remember the great times we shared on our amazing trips! One of the days that immediately comes to mind was when in Germany the bus was ready to leave the parking lot and two ladies were running through a little German town (definitely lost) trying to find their way back to the parking lot. We created some fabulous memories. We hope you will find peace and comfort in those memories in the days ahead.  
Love
