“ Don, Robyn, Alexis -- I am so, so sorry. I have many memories of your mom when she was a young wife and mother. She was a great mom. She loved her family and always welcomed her new teenage sisters; Donna and Andrea Ficek. I babysit a couple of times when you (Don) and you (Robyn) were little. I remember she was afraid of the road and the lake for her children -- so we walked the trail around the lake and away from the road & lake. I remember she was pulling her hair out over Robyn (who would climb out the bedroom window and on to the porch roof). I remember having our grandmother's birthday party at your house (Agnes Birthday 75). Your mom was always gracious and welcoming to all of our family. In her later years I did not see her very often. From her pictures I see that she had a good life and many good times with her family. Hugs to you Don, Robyn and Alexis. God Bless.....Aunt Andrea

“ Dear Donny and Robin, I am so sorry to her about your mom, my prayers are with you and your family. I will always remember your mom with her witty spirit, her kind and loving heart. I always looked forward to seeing her on wrestling night. We would always talk about how much we loved animals. She will be surely missed. May she rest in peace. Love always, Brenda Nute Marcoux

“ *My condolences to the family (the son and daughter) of Irene. She was a good friend many years and we had good times Greek dancing. I was very friendly with her sisters, Dotty and Patsy, and knew her father, Pappou who lived with her when we lived across the street from Dotty. She recently contacted me on Facebook and we re-connected. I am so sorry for her loss.*
