“ *Jackie was one of several ladies who began PASA with me. In no time at all, she became one of my friends. Age meant nothing. We had so much in common. She had a way of making anyone feel welcomed and a part of the group. She was a warrior through in through. She loves her family more than anything and her eyes sparkled when she spoke of them. She was a gem. A soft spoken true North Hamptonite.*

I learned so much from her. I was honored to be her friend. As we all mourn for our loss knowing that she is finally with her beloved Bill eases my heart. RIP my dear friend❤️

“ Ed, Tony and Deb,
 Will truly miss this wonderful Mom to us all, growing up in North Hampton. And I was truly honored with her presence at all the the Alumni Gatherings, where we had some great talks...she was a classmate of my dad's, a staple to the town of North Hampton, and a friend. Enjoy your rest and kiss your husband for me, Jackie...

“ Dear Tony & Eddie -

I'm saddened to learn of the passing of your mother. Not only was she a caring and constant presence in the lives of so many residents of North Hampton, she always greeted me with a warm "hello" and a genuine interest in how things were progressing in my life. To this day, I still recall the dinner bell being rung at 4:30pm in the neighborhood and our need to pause any/all games we were playing so you could have your family dinner!

Please know I'm thinking of each of you as you reflect on and celebrate what your mother meant to so many of us in the North Hampton and Winnacunnet High School community.

*Most sincerely,
