“ *I can't describe the pain, I have just lost my best friend. But knowing that she is with her family and has no more pain, gives me the courage to move on with life without her, and to remember all the good times without tears. I love you Mumzy, your son Roy.*

“ *Dear Aunt Sharlene and Uncle Billy,*

My deepest condolences to you both on the loss of your mother. I have only heard nice things about her. I know that she is with Tierra and Adam now.

“ *Hi Ma, We are getting things done but it sure stinks that it all happened so fast. The past few days have been a blur. Roy and I went to Deerfield fair in your honor last night and we hope you were with us. Just know that those of us closest to you knew the person inside and were not fooled by your sometimes rough exterior. I and all of us love and miss you!! Bill*

“ RIP Aunt Jackie, you deserve some peace. The memory of the trip to Canada is something my family talks about often. Having that time with her and my dad, (her brother) was a fond memory. I also remember getting together at Christmas and the big family BBQs at my grandmother's in Newmarket. Thank you for such great memories. Love you.

“ I was so sadden to hear that Aunt Jackie was ill. I have fond memories of childhood with her at Grammie's. I was so happy that she came with my father to my wedding in Nova Scotia. The last time I talked to her few weeks back I told her I loved her and she told me too. I am honoured to be her niece. Another guardian angel in heaven
