“ Oh my sister....so many times we would be walking on the beach and people would stop her to say how beautiful she was. Even asking if they could take her picture, saying she's so gorgeous she must be a model. Jackie had a personality that lit up any room she was in. She made me laugh and cry and oh so proud to call her my sister. From the moment we met when she was 16 we bonded and made up for lost time. She will live on in my heart and in the eyes of her handsome son. ??
