“ *There are so many wonderful memories with Jackie that I will never forget. All of us sisters had many Columbus Day weekend getaways full of laughs and giggles. We tried something different each year that we went. We took the Cog Railway up Mt. Washington, horseback riding, enjoyed a beautiful fall foliage train trip which included our Mom in her elderly years, shopped until we dropped, and always got dressed up for a ladies night out which included a meal at one of the many nice restaurants in the White Mountain region. We shared numerous holiday celebrations which my children have fond and lasting memories of. I pray that Jackie is now with our Dad and that he was there to meet you as the religious poem (Safely Home) he left on his dresser before his passing stated. I will always keep you and Dad in my prayers and look forward to the day that we meet again. I love you, Jackie.*

Your loving sister,

Linda

“ *Our time together was way too short, but I will always cherish the couple of years we had. Although there were struggles along the way we managed to reunite and create some very personal memories that will last a life time.*

You helped me build a foundation and encouraged me to continue bonding with family. For that I will always be grateful. I look forward to hearing stories and memories that others share. You were such a beautiful person.

I may not have ever called you "mommy", but in my heart you will always be my mother.

You will be missed.

XO Shannon

“ *To the St. Laurent Family,*

I am saddened to learn of the passing of Mrs. St. Laurent. Mrs. St. Laurent was always so kind and helpful whenever we would see her. I remember Mrs. St. Laurent's many walks down the street in our neighborhood. She would always stop with a smile and have something friendly to say to myself and my children.

*I wish you peace and comfort during this difficult time.

“ The past couple of years Jackie and I kept missing each other, she would be returning from trips to the South as I'd be going North. It seems like I was always waiting for her to come home so we could pick up where we left off: go on our walks on the beach or in the neighborhood, go to a movie or visit over a cup of tea and cookies. A wonderful friend. We shared a lot of laughs and good times. Now I miss her again, but know that Heaven has welcomed a very special person..

*With Sympathy and Loving Prayer to you Bill, and Tammy and Bill.

“ Aunt Jackie was and will always be very special to me. She was a kind hearted person who I sensed always saw the best in people. She was more than an aunt, she was an easy friend to talk to with an open heart. The St. Laurent family has shared many holiday gatherings with my family over the years. They have given me special memories that take me back to cheerful childhood days. Without them, I would have never had the great gift of a fun-loving step-father. So...thank you. I also regularly walk past the most thoughtful present I have ever received. It was from Jackie and Bill on my wedding day. It is a framed photo of my wedding invitation and the Town Cove where I was married. Often, it brings me back to a day surrounded by the people I love. What better present can one receive than one that brings back loving memories? In these special ways, I felt Aunt Jackie's love and kindness reaching out. Her smile and laughter will always be remembered.

With all my love to the St. Laurent family,
Nicole

“ Aunt Jackie was kind hearted and had an infectious laugh that made you want to be around her. I will always treasure the many holidays spent with her and my Uncle Bill. They embraced my kids every time we saw them. My fondest memory is an old one but one I'll never forget. It was when I was a teenager and we went to a family gathering at their home in Hampton. We ended up all going to the ocean and walking the beach. I'll miss you Aunt Jackie and we love you. ~ Lynette, Steven & Megan
