“ James it is so hard to believe that I never met you Darlin. Your Dad, and my ex-husband were best of friends, and he was also my daughter Kimberly's God Father. Your Dads bachelor party was held at my house, and I being full term pregnant with Kimberly had to stay home, and attend my one and only bachelor party. He wasn't X rated, as a matter of fact I had some of the guys dusting area's I couldn't reach. So Kimberly decide September 28, 1973 was the day she would make her grand appearance, the day before your parents got married so I didn't get to attend the wedding. My daughter Kelly took her own life just the month before your passing, so I know all to well what your parents were going through having lost you Darlin.... Well now your Dad is with you, and I'm sure he will watch over my Kelly too... And your Mom and I can be here for one another anytime one or the other needs a shoulder to cry on, or just someone to help lift our spirits. I wish I would have had the chance to me you Darlin, but believe me when I say I will meet you one day. I checked out your facebook page a bit, and I had this little picture on my computer so in my heart he reminded me of you. Please keep your Dad busy, and check up on Kelly for me now and then...With lot's of love, and respect.... Your parents friend since high school, Elizabeth Marshall Marquis...Gods Blessing to you all

“ There is no measure of sorrow that we are feeling right now. I was out of town and just learned of Jimmy recently. He was so wonderful with both my Children, Cece and Andrew. Jimmy was thoughtful and caring and simply a great human being, just like his parents. As I was going through a difficult time in my life Jimmy and his Folks were right there to help, no questions asked, just thoughtful, caring and asking how they could help. We would bump into Jimmy at the Supermarket and gas station and it was like seeing a bright light every time. He was always so friendly and sincere whenever we saw him. We will miss seeing him.

Love Forever,

Steve and Andrew Cogliano and Judy Crockett

“ Diana and Gary, I am so sorry for the loss of your son James. I know the heart break you are feeling. I also lost my son Chris on March third. I can't tell you it will get better,so far each day has been hard. Chris was 43,he had a heart attack. He passed so quick that he could not be saved. Now we just try to help his wife and three of his children that still live at home. We live in Nottingham. If I can be of any help to you, you can get my phone number from Bruce Small. He is the pastor of Four Corners Church in Seabrook. You will all be in my thoughts,Bertha Homan Fowler

“ *Diane & Gary... There are some heavy hearts here in Texas. Mother and I are so very saddened to hear of Jimmy's passing. Please know y'all are in our thoughts and prayers as you go through this very difficult time. He is in God's loving, caring arms and he is now safe, safe from what he was battling. Take comfort in knowing he is now at peace. I took this approach when my father passed - it helped knowing he wasn't fighting demons anymore. Our love to you.*

“ *This week the world lost an amazing heart and soul. Jimmy was my first love, my high school sweetheart, and my best friend for about 5 years. It has been very hard for me to make the fact that he is no longer with us a reality. The Tuttle family took me in when I was 15 years old, for that I will be forever grateful. If not for Jimmy and his parents I would not have graduated high school. They pushed me to always work hard and taught me that nothing in life is free. I truly believe if not for them I wouldn't be the person I am today. I will forever cherish the years I spent with Jimmy and the memories I had with him. Jimmy you always have and always will remain in my heart. ?*
