“My dear friend Jane ❤️

I will always cherish the memories of our weekends together, sharing a glass of wine after work, our conversations that seemed endless, and the joy you brought to every celebration. Christmas, Halloween, the 4th of July and many others parties – you were always full of life, laughter, and good humor, even when facing your own challenges.

You worked so hard for your family, giving them love, comfort, and unforgettable moments of travel and togetherness. You were truly an incredible woman, and I feel blessed to have had you as my neighbor and friend.

Your light will forever remain in my heart. Cheers to you, my beautiful friend – until we meet again.” ✨

Dear Dave and Family, my condolences to you all. I met Jane and you through Judy and Peter as I live across the street. Always liked Jane and she always had a smile when I'd see her at Hannafords! So sorry, she's gone far too soon 💔
