“*Sadly I lost track of Janet after years of friendship and laughs. Am hoping her family was with her despite the pain of watching a loved one decline.*

Janet ("Dot") was an incredible person and nurse. We had so much fun 'back in the day' and I hope that she is laughing again somewhere. She had an amazing smile, as her photo here hints at. Her laughter was truly contagious!

“*I am saddened to hear of Janet's passing, however, i believe she is finally at peace. I have many memories of working with her at the State Hospital when I was a student there, and learned alot from her.*

Janet had an infectious laugh, and an incredible sense of humor, which I will miss. My thoughts are with her family.

Sincerely, Angela "Angel" Woods RN, BS
