

Janet M. Poisson

January 21, 1939 - March 24, 2016

Hampton Falls – Janet M. (Clocher) Poisson, 77, of Hampton Falls, died peacefully, surrounded by her family, Thursday, March 24, 2016 at the Merrimack Valley Hospice House in Haverhill, Mass.

What a beautiful woman and incredible life Janet lived. There are no more powerful words than loving, giving and kind to describe the essence of Janet and how she chose to live her life.

Upon her cancer diagnosis Janet was grateful for the time she had to spend with family and connect with dozens of friends who's lives she touched through visits, calls and hand written notes – showing amazing grace by thanking others and saying her good-byes. Saying many times, "I haven't had a sad or a bad day."

While many will remember Janet as the founder of Quicksilver Fine Jewelry, it was her gift of caring that mattered most. Janet's love of her husband, children and grandchildren was absolute. She spent much time baking and cooking for family, friends and OLMM OutReach. Not being hungry was never an acceptable excuse for not enjoying her meatballs and brownies!

The tides at the beach will rise tomorrow, the sun will shine and while Janet's eyes may be closed her heart remains with each one of us and with that

comes her gifts of love, giving and kindness.

Janet is survived by her husband and love of her life, Leo J. Poisson, Sr., her children, Karen Collins and her husband Mark, Leo Poisson, Jr. and his wife Lisa, Michael Poisson and his wife Lucy, Susan Kennedy and her husband Don, her grandchildren, Wes and his wife Alison Collins, Bryan Collins, Theo, Lindsey and Collette Poisson, Lyle and Gabi Poisson, Spencer, Morgan and Callan Kennedy.

Her brother, Robert Clocher, preceded Janet in death.

Visiting hours will be from 4 – 7 P.M. Sunday, March 27, 2016 at the Remick & Gendron Funeral Home, 811 Lafayette Road, Hampton. A mass of Christian burial will be celebrated at 11 A.M. Monday, March 28, 2016 at Our Lady of Miraculous Medal Church, Hampton. Relatives and friends are respectfully invited. After cremation private interment will be in the Oak Lawn Cemetery Hampton Falls. “ I cannot express how sorry I am for the entire Poisson clan. Mrs. P was a very special person in my life. We met when I was very young, for one season she gave me my first real job. She has never forgotten me since. One of the kindest, most generous and loving people I have ever had the pleasure of knowing! She always treated me as her own and my daughter as well. On behalf of Rosie and my parents as well, we will miss you more than you could ever know, yet you will live on with us for the rest of our lives. Thank you for being you Mrs. P and letting me know you

“ *Poisson Family,*

*Her smile will forever live in your hearts. I have fond memories of Janet's kindness from way back in the days of the hotel when my mom and Nana stayed there, and then of her always gracious greeting and assistance at the store. You are a phenomenal family, because of she and Leo. How wonderful for all of you that you were able to be loved by and to love her.
Tom and I send you warm thoughts and prayers during this time.*

“ We met Janet and Leo at our timeshare at Marco Island many years ago. There used to be wonderful card parties, and Janet and Leo would always bring presents for the winners. Later on, they bought a place in our community in Naples, so we would do things together when we could. All her neighbors loved her.

Janet was one of the kindest and most thoughtful people we ever knew. She always had a smile on her face, and was good to be around. We used to enjoy going over to Marco Island for lunch and to the timeshare where we had met.

We will miss her very much, and always treasure the time we spent together.

“ Our Janet was the sweetest and kindest person. All the years we have known Janet, she was always helping the young, the sick and the old and she couldn't do enough for you. She was a wonderful wife, mother and "grammie" and she loved all of you. She was very fortunate to have all her family and friends nearby and I know she was very thankful for that.

A couple of years ago she gave Normand and I "cuddle blankets" that we use in Florida when it gets cool and we always think of her when we surround ourselves with those blankets.

To all of you, remember the special times in your lives that you had with her and I am sure there are many..

Our thoughts and prayers are with all of you and our love,

“ Janet was a loving person, she was generous and kind.. Leo was the love of her life and her children and grandchildren were her pride and joy. I was blessed to call her my friend, she had many, many friends some going back to her school days. I'll treasure the memories of the credit union trips we took with Janet and Leo. Bill and Leo went to conferences and Janet and I were on our own, it was an adventure because we didn't have a clue where we were sometimes and Janet was never shy to ask for directions. We shared so many laughs. The four of us would meet up and always find unique and fun things to do. Janet loved to talk even after she was diagnosed we had some great conversations. She was brave and felt blessed for the life she had, the most difficult thing for her was leaving Leo and her beautiful family. I guess I went on a bit but Janet was so unique and caring. Janet I'll miss you. This journey has past but I believe there is a special place in heaven for you. No kindness goes unrewarded and you were the kindest of all. Our sympathies to Leo and family. Much admiration for the care and love you gave her.

“ Janet took such good care of all of us at the beach store and then at the big store. She was a mom to everyone. She made us laugh so hard we would cry. I just loved being with her. Prayers for all of the Poisson family as you mourn and remember. Jane Feltham-mulcahy
