

Janice N. Frongillo

December 25, 1938 - April 17, 2020

North Hampton – Janice N. Frongillo, 81, of North Hampton, died peacefully on Friday, April 17, 2020.

She was born December 25, 1938, in Malden MA, a daughter of the late Charles and Naomi (Milley) Moss. Surviving family members include her husband, Leonard; children, Annette Cerullo and her husband Blake of Westford, MA and Tonilyn McGee and her husband Brian of Wakefield, MA; grandchildren, Matthew and Daniel Cerullo and Nicholas and Molly McGee.

Janice, also known as Nani, will be greatly missed. She graduated from Wakefield High School and went on to do office management for printing companies. She took great pride in her 57 year marriage to Len and her two daughters they raised. Nani loved being a grandmother of four and always made an effort to be at her grandchildren's events. One example is shortly after major lung surgery she bravely attended her grandson's wrestling match despite her dislike of the sport. Janice was a huge sports fan and you knew not to call her while she was watching Tom Brady and the Pats, college basketball, a tennis match or golf. Despite a stroke in 2013, Janice maintained great intellect keeping up with the news, current events, politics and more. She was never shy in expressing her opinions; her passion, independent thinking and humor will always be remembered. The family has fond memories of yearly summer vacations on Nudd Ave at Hampton Beach.

Janice and Len retired to the NH sea coast because of her great love for the ocean. She even named her home printing business, "Tuesday's etc", so she could have Tuesday's off to go to the beach 2 miles away. Jan and Len loved to bowl together and take sunset cruises in her convertible along the coast. Nani's desserts will also be greatly missed - vacation whoopie pies, chocolate pudding pie, and her Christmas coffee cake and fudge. But her favorite recipe of all was "dine out"! She and Len did so every night making lots of friends at all their local favorite places. May Janice, mom, Nani know how much she was loved and that one day we will all be together again.

The Frongillo family would like to extend heartfelt appreciation to the staff at Portsmouth Regional Hospital for their outstanding care during these difficult times. A special thanks to Tori, her palliative care nurse, who brought us great comfort by connecting us with Nani through phone technology and for being by her side as she passed.

Due to the current situation and restrictions on public gatherings a private graveside service will be held at Puritan Lawn Memorial Park in Peabody, MA. In lieu of flowers donations may be made to the American Cancer Society (https://donate3.cancer.org/?campaign=rapidresponse2020&&utm_source=google&utm_medium=cpc&utm_campaign=%5BB%5D+American+Cancer+Society+-+Exact&utm_term=american%20cancer%20society&utm_content=0li8aKa1_dc%7cpcrid%7c429725010680%7cpmt%7ce%7cpcpw%7camerican%20cancer%20society%7cslid%7c%7cpgrid%7c33476795001%7cptaid%7ckwd-52581190%7c&gclid=EAlaIQobChMI7pyJ2cT56AIVu-y1Ch0CsgW9EAYASAAEgKs-vD_BwE) , P.O. “ *She was such a good friend, always. I was blessed to have her for a friend in high school but distance in where we lived took its toll.*

“ *I am truly sorry to hear of the passing of Janice, I met her working at Citizens Bank in North Hampton about 20 years ago. I loved seeing her come in, talking to her and hearing about what crazy thing she had going on at the time. I truly missed her when I moved to the Hampton Branch, but then she found me and her and Lenny would come see me here. My deepest condolences to you all, she will be missed greatly and my heart goes out to you all.*

“ If there were an award ceremony for restaurant guests Janice and Lenny would take home the gold statue every year! They were ardent patrons of every family restaurant on the seacoast, We had the great honor of serving them and knowing them for over thirty years. We meet many loyal customers through our trade but very few if any who are as amiable and endearing as Jan and Lenny. Always upbeat, funny, and eager to engage servers, cooks, other customers, and anyone who would stop by their table. And easy!, Never a complaint other than the music blaring above her head or her steak wasn't cooked well enough. But even at that, Janice was thoughtful enough to call ahead and warn us to get the tips on the grill so we could chisel them off when they arrived so Lenny wouldn't have to wait long for his dinner. I would often tell my co-workers that Jan was my Aunt or even my Grandmother, she always got a “kick” out of that and frequently played along. She was truly a gem, a lady, and really, a great friend! She will be missed more than my words can express. Our condolences to Lenny, Anette, Toni and their families.

Thank you Ronnie (as mom would call you). She loved you like you were one of her family. Very funny about chiseling the meat off the grill. That's mom - only well done and plain! Ha ha Thanks for the needed chuckle. 💕💕

“ Such heartbreaking news. I loved waiting on Jan and Lenny at Logan's Run. They would settle in at her favorite table. She would thoroughly enjoy a White Zinfandel while checking on everyone that worked there. She really cared about each and every one of us. Brings a smile to my face thinking of the few times that I brought a burger or sandwich to her with a pickle on the plate! 'No pickle!' We're going to miss you Jan.
